

## CAFOD Charity Appeal - 2023 - The Big Lent Walk.

St Francis RC Primary children and staff want to support Almsgiving this Lent and we are choosing to support families around the world living in poverty, especially those who do not have the basic things they need like enough nutritious food to eat.

This Lent, you can help families around the world to cope with the climate crisis. Communities are losing loved ones, their homes and their crops through no fault of their own. Bangladesh is one of the countries most at risk from the effects of the climate crisis. Families in the coastal region are finding it more difficult to recover every time a devastating cyclone or flood hits their village.

We watched Dristy and her Mum Rupali from the CAFOD Lent Appeal video and as a school we want to help!

We are going to do this by taking part in the '**Big Lent Walk**' during our P.E lessons over the next few weeks. Our target as a school is to walk **12km** which is **7.4 miles**. Every year group is going to be encouraged to walk **1 mile** in their P.E lessons around our playground to support communities around the world living in extreme poverty. It's going to be good fun for a good cause!

Our goal is to raise **£185**. We can do this!
